SIR,

With reference to Government Order No.2149-50/Edn.23-15-3 dated 15th November 1915, sanctioning a special scholarship of Rs.50/- per mensem to Mr. B. Venkatrama Sastry for one year in the first instance for studying Electrical Technology in the Indian Institute of Science, Bangalore, I have the honour to state that Mr. Venkatrama Sastry requests in his letter dated 10th March 1916 that his scholarship may be continued for a further period of two years and that the same may be raised to Rs.100/- per mensem. Professor A. Hay, under whom Mr. Sastry is working, and whom I consulted in the matter, is of opinion that Rs.50/- per mensem should be sufficient to meet a student's expenses at the Institute and that as students in the Electrical Department generally arrange to spend the bulk of the long vacation in some Workshop, Rs.60/- per month would be sufficient to meet all the expenses. I am however of opinion that no case has been made out for the increase of Mr. Sastry's scholarship and accordingly recommend that the scholarship sanctioned to him may be

continued

continued at the present rate of Rs.50/- per month for another year from 7th July 1916.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General.
